

SERENITY

... the state of being calm, peaceful, and untroubled

For total self-indulgence, the Uzuri Spa and Fitness Forest offers a wide range of treatments and therapies as well as its own adult only private pool outdoor jacuzzi and fully equipped gymnasium. For the business traveller, state-of-the-art conferencing facilities make leopard Beach the perfect venue to combine business with pleasure in a most stunning location.

Escape from the pressures of daily life. make time for yourself and experience our world of highly reowned, extra-sensory spa treatment journeys. Carefully developed by a specialised team using extensive clinical and scientific studies, the TheraVine range from South Africa boasts the indigenous Pinotage cultivar grape seeds, grape skins & gravevine leaves to which internationally acclaimed active ingredients, powerful anti - oxidant ingredients and organically grown indigenous botanicals have been added to ensure glowing skin.

All our treatments begin with an in-depth skin consultation by a TheraVine / TheraNaka expert, trained and skilled by an international trainer to assess your specific concerns because beauty goes beyond the radiance of your skin and body. Understanding our mutual interdependence with earth, TheraNaka has been developed using only the finest natural ingredients available from nature while honouring the eco-system and using eco-friendly practices in manufacturing.

While aromas and indulgent textures provide for a multi-sensory experience, each treatment is expertly crafted for your ultimate treatment satisfaction. TheraNaka means "Beauty of Africa". Our unique treatments and rituals were inspired by, designed and based on Africa's rich heritage and created to celebrate mother earth and her connection with life. May this journey into Africa open your eyes to preserve our beautiful continent.
